

**PEE WEE SOCCER**

Dear Parent/Guardian:

Your student has shown interest in St. Pius X's After School Sports Program. The purpose of this letter is to inform you of some basic policies and procedures of the program:

- 1.) Your child's teacher will need to sign this form indicating that he currently meets the necessary academic requirements.
- 2.) Prior to any tryouts/practice the rest of this form needs to be filled in and a parent/guardian signature must be affixed. The form needs to be returned to the teacher by September 12, 2017. The estimated league fees are \$ 35.00 per student and will be billed through FACTS.
- 3.) When the season is over, the SPX uniform must be returned to SPX School. If the uniform is not returned to SPX in appropriate condition an additional \$ 50.00 fee will be assessed to cover the uniform's increased replacement cost.
- 4.) Discipline and/or grade problems during the course of the season may jeopardize your child's position on the team.
- 5.) Please be sure that your child has read, signed, and returned the attached Code of Conduct form by September 12, 2017.
- 6.) Please ensure your child has the proper gear, especially safety gear required for soccer.

-----  
 I/We the undersigned, as parents/legal guardians of \_\_\_\_\_ (student's full name) request that St. Pius X allow my child to participate in the St. Pius X Soccer; including leaving the school campus for offsite practices and games.

We agree to the statements made in the Parent/Student Handbook and will abide by the philosophy of the school and league and policies set forth. In the event of a medical/dental emergency, I/We further consent to the decision made by St. Pius X or any and all of its agents relating to the provision of medical/dental assistance.

We hereby release St. Pius X School and any and all of its agents from any liability arising out of or in any manner related to participation in this After School Sports Program including practices, games, and transportation to and from events.

You will be billed the league fee through FACTS once permission slips have been submitted.
