

St. Pius X School

To restore all things in Christ. – St. Pius X

WELCOME!

Dear St. Pius X Families and new members to the family,

I need to make a few announcements before I send you on your way to our new registration method.

My first announcement is that we have implemented a modest tuition rate increase. Like every other business out there, our operating costs are on the rise. This year, I want to award our teachers and staff with a pay increase. They work hard to educate your child and are dedicated to the success of the school.

The other announcement is that we are switching to an online only registration process. We have uploaded all of our registration documentation onto the Gradelink platform. Returning families will use their current login user and password information. Once logged in, click on the “Enroll Me” tab and provide required information. Please complete all forms.

For new families please call the school office @ (619) 422-2015 to schedule a school tour and the assessment test. After the applicant has been tested and accepted, please use this link (<https://secure.gradelink.com/424/enrollment>) to register through Gradelink. Once completed, please register next at FACTS <https://online.factsmgt.com/signin/3CRSW>. (FACTS is the official company which will collect tuition and fees)

The major benefit of switching to online method of registration is that once you enter your information, it will be there until your child graduates from St. Pius X! Next year, you will only need to edit any information that may have changed.

If you have any questions, please give us a call.

Thank you,

Mr. Turskey, Mrs. Lopez, and Mrs. Hernandez
