

St. Pius X School

To restore all things in Christ. – St. Pius X

Early Registration News – 2020-2021 for our current families.

Dear St. Pius X Families,

I need to make a few announcements before early registration opens. First, we have implemented a modest 1.5% tuition rate increase. Like every other business out there, our operating costs are on the rise. This year, I want to award our teachers and staff with a Cost of Living Allowance increase. They work hard to educate your child and are dedicated to the success of the school.

Second, you will also see an increase in the registration fee. We are raising the fee by \$10.00 and adding \$25.00 to provide all copy paper, boxes tissues, and the packages of disinfectant wipes. The office will now order these supplies. (Pastels, if required by teacher, are still parent's responsibility.)

Lastly, in order to cover the PTG Hospitality costs, I am changing the PTG Fee to \$35.00 PER STUDENT instead of by family. This will also provide support for various PTG sponsored events such as Catholic Schools Week, open House, Grandparents day, Teacher Appreciation, and other community events.

Early registration will be open beginning February 1st, 2020. The registration fee for the month of February will be \$345.00 per student, includes our PTG fee. Beginning March 1st, the rate increase to \$395.00. We want to encourage you to register early for two reasons:

- To save your spot- Classes are filling up.
- To save you money !!.

After paying your registration fee, **on our school web site**, you will be re-directed to GRADELINK to re-enroll. If any of your information on GRADELINK has changed – address, phone, authorized contacts, etc. – you will need to make those revisions online. **You will not be considered as re-enrolled unless you pay registrations fees.**

If you have any questions, please give us a call.

Thank you,
Mr. Turskey, Mrs. Lopez, and Mrs. Hernandez
