*To restore all things in Christ. – St. Pius X*

**Early Registration News**  
**2020-2021 for our current Preschool Families.**

Dear St. Pius X Families,

I need to make a few announcements before early registration opens. First, we have implemented a rate increase on our full week rate only. Like every other business out there, our operating costs are on the rise. This year, I want to award our teachers and staff with a Cost of Living Allowance increase. They work hard to educate your child and are dedicated to the success of the school.

Second, you will also see an increase in the registration fee. We are raising the fee by \$10.00

Early registration will be open beginning February 1<sup>st</sup>, 2020. The registration fee for the month of February will be \$310.00 per student. Beginning March 1<sup>st</sup>, the rate increase to \$360.00. We want to encourage you to register early for two reasons:

- To save your spot- Classes are filling up.
- To save you money!!

After paying your registration fee, **on our school web site**, you will be re-directed to GRADELINK to re-enroll. If any of your information on GRADELINK has changed – address, phone, authorized contacts, etc. – you will need to make those revisions online. **You will not be considered as re-enrolled unless you pay registrations fees.**

If you have any questions, please give us a call.

Thank you,  
Mr. Turskey, Mrs. Lopez, and Mrs. Hernandez
