### Tuition Payment Schedule

The FACTS (Facts Automatic Cash Transaction Services) form explains tuition payment procedures. You will be given options for payment of tuition from how often in the year, to the account from which the withdrawal will be made. Payment will be withdrawn on the 6<sup>th</sup> of the month. The FACTS tuition management system is the ONLY way tuition will be paid and there is a \$41 annual withdrawal fee per contract from your account separate from regular tuition withdrawals. Former Preschool FACTS users do not need to enroll online again – only new incoming families. The recommendation for families who do not have any bank account is to open a children's account specifically for tuition withdrawal. ALL PAYMENTS START IN JUNE OR IN THE CASE OF MID YEAR ENROLLMENT PAYMENTS WILL BEGIN IN THE MONTH OF ENROLLMENT.

→The online FACTS bank information is due within the first week of after registration.

→The non-refundable fee of \$250.00 per student is due when re-registration forms are due or in the case of new families, within 5 business days of student's acceptance. Money orders or checks made out to St. Pius X School will be accepted as well as major credit cards. All deadlines must be met in order for registration to be complete.
