Dear Friend and Neighbor of St. Pius X School,

August 28, 2018

Pius X School invites you and your business or organization to participate in our annual “Turkey Trot/Jog-a-thon.” This is a very popular and fun event for the children. Proceeds from this fundraising activity will go toward improvements at our school. Our goal is to raise over \$25,000. The earnings will be applied toward the Science, Technology, Engineering, and Mathematics (STEM) curriculum and other technology improvements to enhance the learning experience of our students and would otherwise not be possible. ***Our success depends heavily upon donations from local businesses and organizations like yours!!***

This year’s Turkey Trot will be held on Friday, November 16th. Each student, from preschool to eighth grade, will run laps around a pre-defined course, competing with one another for most laps run and most pledges raised – individually and as a class. Family members will volunteer throughout the event to mark laps and encourage the children. **We would like to provide you with the opportunity to make monetary donations of any amount.** As a thank you for your support, we would also like to offer the following:

Level 1 “That’s The Stuffin!” = Donations of \$100

Company name on back of student designed t-shirt worn by the students + company name posted on St. Pius Facebook page
